

First Revised Sheet No. 110
First Revised Sheet No. 111

Paiute states that the purpose of its filing is to propose changes to the Capacity Release provisions contained in Section 14 of the General Terms and Conditions of Paiute's FERC Gas Tariff. Paiute states that the changes are necessary to conform Paiute's tariff with the changes made in Order No. 577 to the Commission's regulations governing pipeline capacity release mechanisms.

Paiute requests that the tendered tariff sheets be accepted for filing to become effective May 4, 1995, which is the effective date of Order No. 577.

Paiute states that copies of the filing were served upon all of Paiute's customers and affected state regulatory commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, N.E., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211, 385.214). All such motions or protests should be filed on or before May 16, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the public reference room.

Sea Robin Pipeline Company: Notice of Proposed Changes in FERC Gas Tariff

May 9, 1995.

Take notice that on May 4, 1995, Sea Robin Pipeline Company (Sea Robin) tendered for filing as part of its FERC Gas Tariff, First Revised Volume No. 1, the following tariff sheet:

Second Revised Sheet No. 64

Sea Robin states that the purpose of this filing is to comply with the provisions of Commission Order No. 577, effective May 4, 1995, which has revised the Commission's Regulations governing capacity release transactions to extend the exemption from advance posting requirements to prearranged releases for one calendar month or less

and releases at the maximum rate. Order No. 577 also decreased the number of days that the releasing shipper and prearranged bidder must wait until they can perform another non-posted release for a month or less to 28 days.

Sea Robin has requested any waivers necessary to make this sheet effective on May 4, 1995, the implementation date of Order No. 577.

Sea Robin states that copies of the filing will be served upon its shippers and interested state commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). All such motions and protests should be filed on or before May 16, 1995. Protests will not be considered by the Commission in determining the parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.

Westcoast Power Marketing Inc., Notice of Issuance of Order

May 10, 1995.

On January 3, and February 21, 1995, Westcoast Power Marketing Inc. (Westcoast Power) submitted for filing a rate schedule under which Westcoast Power will engage in wholesale electric power and energy transactions as a marketer. Westcoast Power also requested waiver of various Commission regulations. In particular, Westcoast Power requested that the Commission grant blanket approval under 18 CFR Part 34 of all future issuances of securities and assumptions of liability by Westcoast Power.

On April 20, 1995, pursuant to delegated authority, the Director, Division of Applications, Office of Electric Power Regulation, granted requests for blanket approval under Part 34, subject to the following:

Within thirty days of the date of the order, any person desiring to be heard or to protest the blanket approval of issuances of securities or assumptions of liability by Westcoast Power should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and

Procedure (18 CFR 385.211 and 385.214).

Absent a request for hearing within this period, Westcoast Power is authorized to issue securities and assume obligations or liabilities as a guarantor, endorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of the applicant, and compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approval of Westcoast Power's issuances of securities or assumptions of liability.

Notice is hereby given that the deadline for filing motions to intervene or protests, as set forth above, is May 22, 1995.

Copies of the full text of the order are available from the Commission's Public Reference Branch, Room 3308, 941 North Capitol Street, N.E. Washington, D.C. 20426.

Tennessee Power Co.; Notice of Issuance of Order

May 10, 1995.

On February 8 and March 13, 1995, Tennessee Power Company (TPCO) submitted for filing a rate schedule under which TPCO will engage in wholesale electric power and energy transactions as a marketer. TPCO also requested waiver of various Commission regulations. In particular, TPCO requested that the Commission grant blanket approval under 18 CFR Part 34 of all future issuances of securities and assumptions of liability by TPCO.

On April 28, 1995, pursuant to delegated authority, the Director, Division of Applications, Office of Electric Power Regulation, granted requests for blanket approval under Part 34, subject to the following:

Within thirty days of the date of the order, any person desiring to be heard or to protest the blanket approval of issuances of securities or assumptions of liability by TPCO should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, N.E., Washington, D.C. 20426, in accordance with Rules

211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214).

Absent a request for hearing within this period, TPCO is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of the applicant, and compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approval of TPCO's issuances of securities or assumptions of liability.

Notice is hereby given that the deadline for filing motions to intervene or protests, as set forth above, is May 30, 1995.

Copies of the full text of the order are available from the Commission's Public Reference Branch, Room 3308, 941 North Capitol Street NE., Washington, D.C. 20426.

[Docket No. RP95-278-000]

CNG Transmission Corp.; Notice of Section 4 Filing

May 9, 1995.

Take notice that on May 4, 1995, CNG Transmission Corporation (CNG) tendered for filing pursuant to Section 4 of the Natural Gas Act, a notice of termination of gathering service for specified uncertificated gathering lines.

CNG states that the uncertificated lines are being sold or abandoned in place. CNG further states that although no contract for transportation service with CNG will be canceled or terminated, the meter receipt points will change under some or all of the related Pool Operating Agreements. CNG asserts that the receipt point(s) into its system will either be moved downstream of the current points or, in the case of abandonment in place, eliminated. CNG states that a new downstream receipt point may also become an allocated receipt point under the pooling agreements where the purchasers of gas must agree to an allocation of deliveries to CNG at that receipt point.

CNG indicates that it has notified all parties in either the related transportation agreement of the related polling agreement of this filing.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 825 North Capitol Street NE., Washington, D.C., 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure. All such motions or protests should be filed on or before May 16, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.
